No.RVUN/CE (PPC&F)/CDM/DCCPP/F. /D.

Dated:

### **Tender Notice No. PPC&F/02**

Rajasthan Rajya Vidyut Utpadan Nigam Limited (RVUN) is a Government of Rajasthan Undertaking, engaged in operation and maintenance of state owned power generating stations as well as construction of new power projects under state sector in Rajasthan. RVUN is having installed generation capacity of 2914.35 MW and is in process of installing 1180 MW additional capacity of new power projects by Dec 2008.

Amongst the new ongoing projects, RVUN is setting up a 330 MW (3x110 MW) gas based combined cycle power project (DCCPP) at Dholpur for exporting power to State Grid for sale. Two Gas Turbines of 110 MW each were successfully trial run on 29.03.07 and 16.06.07 respectively which are in operation with effect from 1.9.07. 3<sup>rd</sup> unit of Steam Turbine of 110 MW using steam from waste heat recovery boilers, is expected to be commissioned by 15.10.07. Power Purchase Agreement has been signed with Discoms.

It is proposed to get this 330 MW (3x110 MW) gas based combined cycle power project (DCCPP) at Dholpur registered with CDM board of UNFCCC and to acquire Certified Emission Reductions (CERs) for the project.

For the above purpose, a Service Provider is required, for which, bids are invited in two parts (i.e. techno commercial offer and price offer ) in two separately sealed covers from established and experienced companies for following work :

- a. Preparation of Project Idea Note (PIN), Project Design Document containing base line, M&V Protocol, environment statement and stake holder issues, etc.
- b. Facilitation services for host country endorsement, validation of Project Design Document, etc. & registration of project with CDM board.
- c. Facilitation services for carbon credit sale agreement with buyer
- d. Facilitation services for certification of carbon credit for entire crediting period.

Services shall include all required services to get carbon credit certificates and its sale to buyer so as to earn CDM revenue from the project.

Only experienced and reputed companies in the field are required to send their detailed particulars of the similar job carried out earlier. The bidders should have experience in dealing with at least two CDM projects in the Energy industry field (Renewable/Non renewable) in India, getting them registered as CDM projects, ensuring their validation and receiving carbon credits/certified CERS for such projects. The prospective bidders shall produce documentary proofs of their having such experience. The tender documents shall be issued only to those firms who have minimum experience as above.

Selection of the consultant shall be made through two part bidding process. Part –A shall be techno commercial offer and Part- B shall contain price bid. In Part –A, the bidders are required to furnish their credentials/experience in related field in Energy Sector, professionals hired and their financial capability along with a list of parties, giving their address, telephone numbers, contact person, etc., professionals hired and their financial capability and present status of the works being carried out. In Part –B price bid, the bidders need to quote only success fee expressed as percentage (%) of total revenue per annum to be received by RVUN on account of CERs. No fixed charges shall be payable except upfront payment of Rs. 2.00 lacs against furnishing of a security/performance bank guarantee of equivalent amount, which would be recoverable from the success fee. The work is scheduled to be completed at the earliest so as to avail carbon credits for the project

Request for bid documents may be made along with documentary evidences of qualification as above, to Superintending Engineer (PPC), Room No. 130 Vidyut Bhawan, Jyoti Nagar, Jaipur 302005 (Rajasthan). Securing of bid documents (non-transferable) is essential to participate in bid. Sealed bids would be submitted to this office upto 2.30 PM on 22.10.07.

Part 'A' shall be opened at 3.00 PM on the same day i.e. on 22.10.07 in presence of representative(s) of the bidders who choose to be present. The date and time of opening of Part 'B' shall be intimated to the short-listed/qualified bidders on the basis of analysis of Part 'A' bids and shall be opened in the presence of the representative(s), of the short listed/ qualified bidders who may choose to be present.

Superintending Engineer (PPC)
