3.PRE-QUALIFICATION REQUIREMENTS:-

The Bidder should meet the following qualifying requirement stipulated hereunder:

3.1 In case of single bidder:- The bidder should have executed contracts on an Engineering, Procurement and Construction (EPC) basis for at least one (1) No. Coal based /Lignite based/ Gas Based Combined Cycle Power Plant of installed capacity not less than 95 MW during last ten (10) years in India and which is in successful operation for a period of not less than one (1) year as on the date of bid opening. The scope of work of such reference plant should have necessarily included engineering, supply, installation (with all associated mechanical, electrical, civil & structural works), testing and commissioning on turn-key basis either:

(a) Main power plant equipment (Boiler- Turbine-generator or Gas Turbine- HRSG- STG) with all associated integral auxiliaries

OR

(b) Major balance of plant systems and equipment for coal/lignite based plant such as coal/lignite handling plant, ash handling plant and water system (Raw water/DM/ CW/ ACW)

OR

(c) Entire balance of plant system and equipment for combined cycle plant i.e. all system and equipment, other than main plant equipment (gas turbine-HRSG- Steam Turbine Generator) with their associated integral auxiliaries.

3.2 The bidder can submit the bid in his individual capacity or in consortium with other partner(s). In case of consortium, number of consortium partners should be limited to four (4) and all consortium partners should jointly meet the requirement of Clause 3.1(b) or 3.1(c) above. International consortium partner is also acceptable. One of the consortium partners shall be the consortium leader. The consortium partners shall be jointly and severally responsible for the execution of the contract. The consortium agreement shall be furnished clarifying the split up of scope between consortium partners. In case of award the consortium, the consortium leader shall be required to furnish performance bank guarantee for at least 10.0% (ten percent) of contract price and another 5% PBG shall be furnished by the consortium leader and the consortium partner in the ratio divided at the discretion of the consortium leader. However, each consortium partner shall give PBG for at least 1% of total contract value.

3.3 The average annual turnover of the bidder / consortium leader should be at least Rs. 100 Crores during the preceding three consecutive years.

3.4 The bidder shall provide satisfactory evidence that the bidder/ consortium partners

Has / have adequate financial stability and status to meet the financial obligations pursuant to the works covered in bidding document.

Has/ have adequate capability and capacity to perform the work properly and expeditiously within the time period specified. The evidence shall specifically cover, with written details, the installed manufacturing and/or fabrication capacities to meet the requirements appropriate to the works cover in his bid. The details of alternative arrangements to be organized by the bidder for this purpose and which shall meet the purchaser's approval shall be furnished.

Has/ have an adequate field service organization to provide the necessary field erection and management services required to successfully erect, test and commission the equipment / system as required by the bidding documents.

4. Notwithstanding anything stated in clauses 3.1,3.2, 3.3& 3.4 above, the RVUN reserves the right to assess the capabilities and capacity of the bidder, his consortium member to perform the contract, should the circumstances warrant such assessment in the overall interest of the RVUN.

5. Bidders not fulfilling qualifying requirements are advised not to submit their offer against this bid specification. The offer of the bidder not fulfilling the qualifying requirements shall not be considered for further evaluation and will be rejected.

6. The bids must be accompanied by Earnest Money Deposits (EMD) for an amount of Rs. 4.0 Crore (Rupees Four Crores Only). Rs. 50.00 Lacs (Rs. Fifty lacs only) in the form of demand draft payable to the Chief Accounts Officer, RVUN, Jaipur & balance Rs. 3.50 Crores (Rs. Three Crore Fifty Lacs only) in the form of Bank Guarantee from any scheduled bank. The BG against EMD shall be valid for a period of 180 days from the date of opening of Part-I Bids.

7. The bidder shall be required to keep his offer valid for acceptance for at least 180 days from the date of bid opening.

8. Interested eligible bidders may obtain bidding document (non transferable) from the office of Superintending Engineer (TD), Rajasthan Rajya Vidyut Utpadan Nigam Ltd., Shed No. 5, Vidyut Bhawan, Jyoti Nagar, Jaipur, State Rajasthan from 9.30 AM to 6.00 PM on all working days between the days mentioned above on payment of the specified amount by Crossed Demand Draft / Pay Order payable to Chief Accounts Officer (TD), RVUN, Jaipur with a requisition on letter head of the bidder for Bid Documents giving complete postal address (contact No./fax No./email ID/name of Contact Person etc.) of the Bidder. In case the bidder wishes to authorize somebody to collect the documents on his behalf, the appropriate authorization letter from the bidder should be presented along with the request letter. In case of request for despatch of bid documents through post / courier, the same shall be despatched through Registered Post. RVUN, however, shall not be responsible for postal delay.

9. The bidder who has purchased the Bid Document shall only be eligible for submission of the Bid Proposal.

10. RVUN does not bind itself to accept the lowest or any of the bids and reserves the right to accept any bid or reject any or all bids without assigning any reasons thereof.
